

LITTLE CABIN HOME ON THE HILL

I IV I
Tonight I'm alone without you my dear
I V
In my heart's a longing for you still
I IV I
But I'll just keep it there so I won't be alone
I V I
In our little cabin home on the hill

IV I
Now someone has taken you from me
I V
And left me here all alone
I I IV I
Just listen to the rain beat on my windowpane
I V I
In our little cabin home on the hill.

I hope you are happy tonight as you are
In my heart's a longing for you still
But I'll just keep it there so I won't be alone
In our little cabin home on the hill.

Now when you have come to the end of the way
And you find there's no more happiness for you
Just let your thoughts drift back once more if you will
To our little cabin home on the hill.
